

FOUNDERS AGREEMENT (FINAL – FRANCE)

This Founders Agreement (“Agreement”) is entered into on April 27, 2026, by and between:

Founder 1: Diego Nanton

Founder 2: Yohan Ribot

Collectively referred to as the “Founders”.

1. COMPANY FORMATION

The Founders agree to form a company in France to develop and operate a digital platform focused on influencer analytics, trading simulation, and monetization.

2. EQUITY STRUCTURE & VESTING

Initial Equity Split:

- Diego Nanton: 50%
- Yohan Ribot: 50%

Vesting Schedule:

- 4 years vesting
- 12 month cliff
- 25% vested after 12 months
- Remaining 75% vested monthly over 36 months

Unvested shares are forfeited if a Founder leaves early.

3. ROLES & RESPONSIBILITIES

Diego Nanton: Strategy, operations, partnerships, finance, investors

Yohan Ribot: Technical development, product, infrastructure

Both agree to act in good faith and contribute consistently.

4. DECISION MAKING

Major decisions require mutual agreement. Deadlocks trigger advisory discussion and potential buy-sell clause.

5. INTELLECTUAL PROPERTY

All IP created belongs to the Company. Founders assign all work to the Company.

6. COMPENSATION

No salaries unless agreed. Revenue prioritized for reinvestment, costs, then optional 50/50 distribution.

7. CONFIDENTIALITY

All business information must remain confidential, even after departure.

8. NON-COMPETE

No competing business during involvement and for 12 months after leaving.

9. EXIT & BUYOUT

Right of first refusal on shares. Valuation by agreement or third party.
Buy-sell clause applies in deadlock situations.

10. DILUTION & FUNDRAISING

Future investment may dilute shares. No new shares without agreement.

11. TIME COMMITMENT

If inactive for 60+ days, vesting may pause or equity reviewed.

12. DISPUTE RESOLUTION

Handled via discussion, mediation, then arbitration if necessary.

13. GOVERNING LAW

This Agreement is governed by the laws of France.
